

JAIIME PLANAS SPACE

PEDRALBES, BARCELONA

JAIME PLANAS SPACE

LOCATION

The Jaime Planas Space is located at the prestigious Clinica Planas, a pioneering centre in the speciality of Plastic Surgery. It is placed in an emblematic building surrounded by the gardens of a privileged spot in the district of Pedralbes, in the uptown area of Barcelona. It is very close to big hotels, and also very-well connected to the airport at only 15 minutes drive through the Ronda de Dalt.

The space has an entirely independent entrance from the medical centre, with a direct access to its bright main hall.

The space has a parking lot with 125 available parking spaces.

JAIME PLANAS SPACE

THE JAIME PLANAS SPACE INCLUDES:

MULTI-FUNCTIONAL ROOM

It is a multi-functional room made of noble wood, with a capacity up to 550 people as theatre format, or up to 350 people seating as a banquet format. It can be split up to three parts with divider panels, according to the magnitude of the event.

The room is equipped with the most advanced technology, and simultaneous translation facilities.

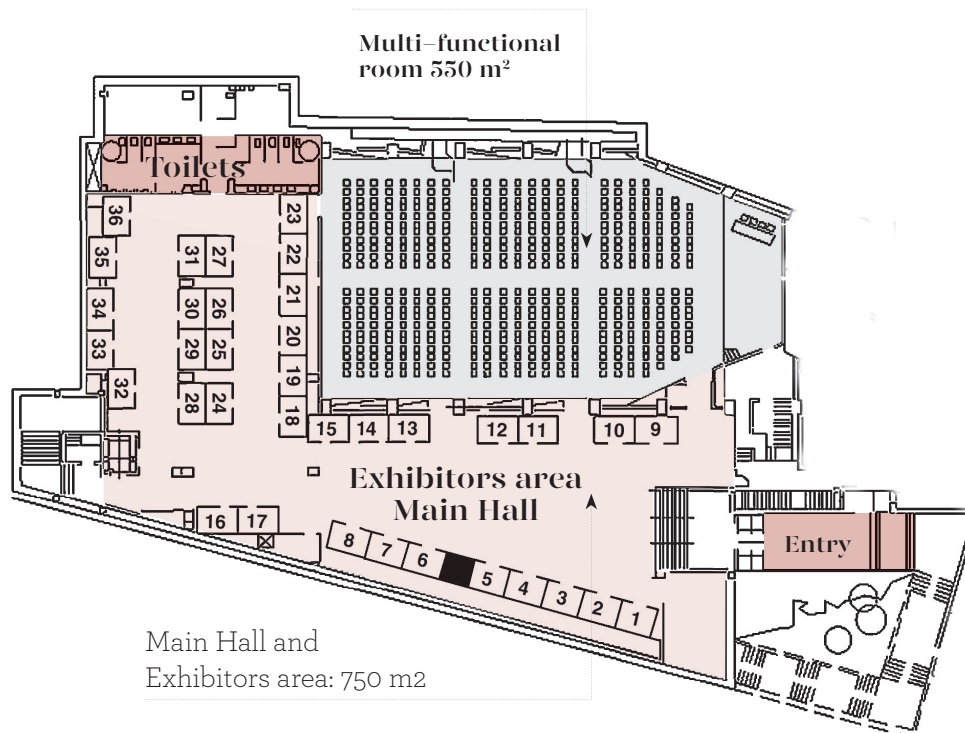

MAIN HALL / EXHIBITORS AREA

It has an area of 750 m2. The main hall and exhibitors area, usually used for booths, has a large space available for coffee breaks, luncheons and dinners.
